### Best Two Balls of Four

The format for our November tournament is best two balls of four. Sign-up and we'll place you in a foursome, or better yet, sign-up with your buddies and cheer each other on. Guests are encouraged. We'll pick the 4-man teams based on handicaps but we'll also try to keep your guests in your foursome. This is the last tournament in the men's club point competition. Although prizes will be based on team results, points will be awarded based on individual low net results so remember to hole out.

Date	Saturday, November 19th
Course	Cypress

## Who won the Valley Cup?

As this newsletter goes out, I do not yet know who won the Valley Cup. However, the results posted when I left looked like Spring Valley made it three in-a-row and probably won by a wide margin. However, on the bright side we still lead the series 10 to 6. All players that participated received 100 points for the Point Competition.
